

STOP THE SPREAD OF GERMS

Help prevent the spread of respiratory diseases like COVID-19.

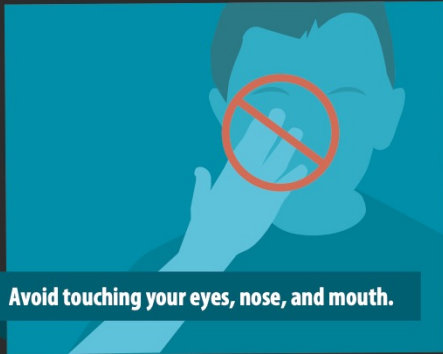

Avoid close contact with people who are sick.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Avoid touching your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick, except to get medical care.

Wash your hands often with soap and water for at least 20 seconds.

CORONAVIRUS/COVID-19 PANDEMIC PLAN: THREAT LEVEL: MODERATE/RIGOROUS SANITATION

The Randolph County Tourism Development Authority operates the I-73/74 Visitor Centers in Seagrove and the Heart of NC Visitors Bureau in Asheboro. The health, safety, and security of our guests and employees is our highest priority. While we are here to assist, we ask that if you are exhibiting any signs of any illness that you **DO NOT** enter our facilities, but instead call our toll-free number for assistance – (800) 626-2672. We must work together to curb the spread of the novel Coronavirus and its transmission NOW in order to save lives and salvage our economy once we get to the other side of this public health emergency. Therefore, it is incumbent on our organization to follow the guidelines set for social distancing, avoiding large groups, handwashing, hygiene, and other best practices by implementing a Coronavirus Pandemic Plan effective Monday, March 16, 2020.
